

Expenditure of municipalities and joint municipal authorities 97-19

External revenue according to the income statement and cash flow statement, total € billion.

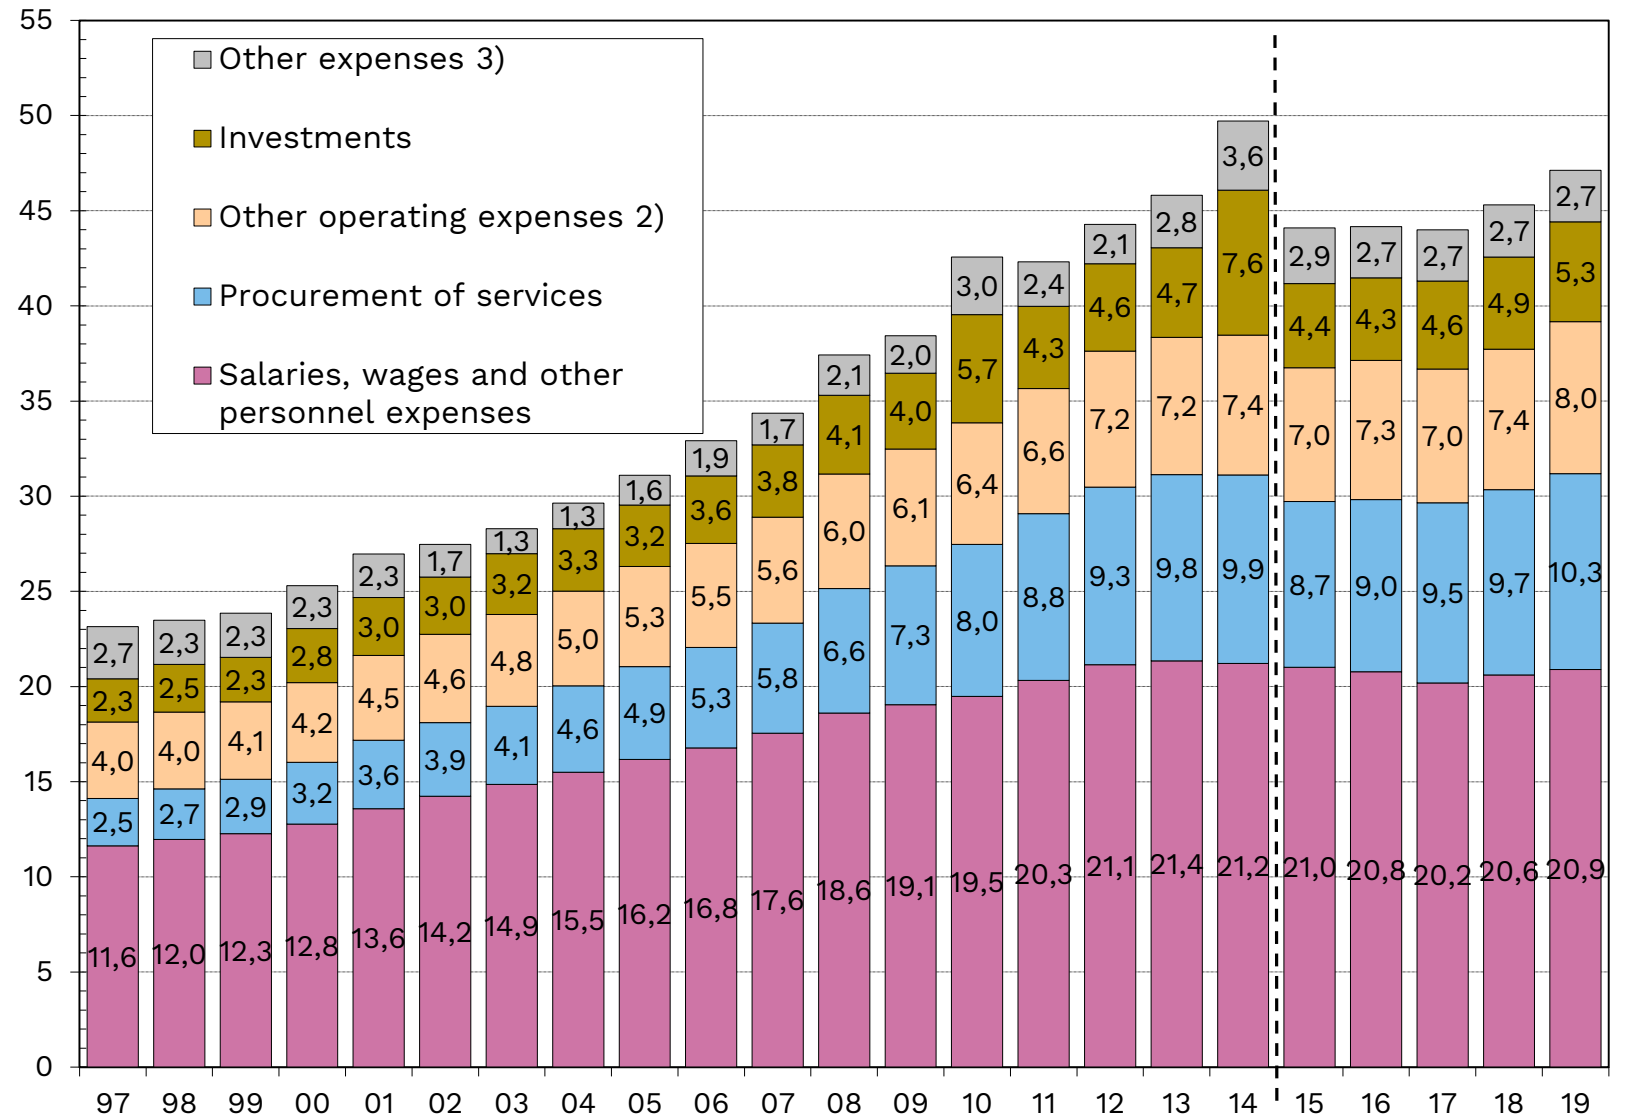

The 2010 investment expenditure and other expenses include items related to the establishment of the Helsinki Region Environmental Services Authority HSY.

The 2014-15 figures are affected by the corporatisation of municipally owned companies and universities of applied sciences.

Due to a statistics reform, data from 2015 onwards is not comparable with the previous years.

2) E.g. procurement of materials, grants and rents.

3) E.g. interest expenses and loan repayment, other financing expenses and lending.
